Joshua Modeland's Death.

AF

Gaoler for many years - Prominent in Municipal Politics.

A veteran Liberal of the oldtime fights in Chinguacousy, passed peacefully away after a lengthy illness on Monday in the decease of Mr. Joshua Modeland, which took place at his home on Church St. West. Deceased had been confined to the house for some months and a general break down of the system ended in death.

Mr. Modeland was a native born son of Chinguacousy township and first saw the light of day on the old homestead near Mayfield, now owned by Wm. Grey. ^{Lot 16 Con 3 Ching E.} His father, ^{Thos.} who was a prosperous farmer, was one of the immigrant pioneers of the county who came from England.

Mr. Modeland as a young man was a great plowman and a popular, lively young farmer noted for his prize-winning pigs. He got into municipal politics and for five years served in Council of Chinguacousy. He was one of the ablest lieutenants of the late Mr. Kenneth Chisholm in the township and a great admirer of that gentleman, and there was no political work that was too hard for him to do for that wonderfully popular politician. When Proton and the north country began to attract attention, Mr. Modeland was one of the first to be drawn thither and he settled with his family on a bush farm near Dundalk. He lived in this township for a number of years and served four years in the

Joshua Modeland's Death con't.

Council as deputy-reeve.

On the death of the late Mr. M. Crawford, gaoler for Peel, Mr. Chisholm had Mr. Modeland appointed to the berth and from 1880 to 1907 he filled the position. During this period many famous or infamous prisoners passed through his hands and on one occasion he caught a noted burglar sawing his prison bars. Mr. Modeland was twice married and is survived by his widow and ten children. The sons are Messrs. Thomas and Seward, Toronto, both locomotive engineers with the G.T.R., and the daughters are Mrs. R. Trimble, Mrs. W. Booth, Toronto, Mrs. Taylor, Carberry; Mrs. Shaw and Miss Edith, Brandon, Man., Mrs. John Kenney, Mrs. Madgett and Miss Ida, of this town. Mr. Modeland was a member of the Masonic fraternity and a life-long Methodist, worshipping at Grace church. He was a genial, fun loving man of a kindly disposition. He loved to discuss politics and the late George Brown was to him one of the few great men that have lived. His father before him read the Globe and so did he from his earliest days until his last and Mr. Modeland was 77 years old at his death. The funeral on Wednesday afternoon to Brampton Cemetery was largely attended. The services were conducted by Rev. Dr. Speer.

re MODELAND.

The first sheep that Thomas Modeland bought he paid \$10 for. Mary Anne, his daughter, later Mrs. John Pearen, gathered the sap from the trees and made maple sugar and sold it for five cents a pound.

The Modelands, when they first came to Peel, lived on the 3rd line, Chinguacousy E. (didn't know Lot). They had no fireplace in their log house, just a hole through the roof, and they sat around the fire built up in the centre of the room.

Mr. Modeland was a miner and used to build the wells around about, and it seems he didn't get his chimney nor fireplace built before the winter set in.. They had no chairs or anything like that the first year either.

He received his education in the school section of his native township, and lived on the farm for twenty years, after which the desire of leading a railway life possessed him, and so leaving the farm he entered the employ of the Grand Trunk in a subordinate position, but through faithfulness and hard work he was promoted to the responsible position of locomotive engineer, which he enjoys to-day. While at home under parental supervision and influence he was a steady boy, constant in attending divine service, but after leaving home he mingled with bad company, and soon his life became tarnished, and ere long he forgot his mother's teachings, and was soon on the downward pathway with his companions. While attending a Locomotive Brotherhood Convention in Elmira, N.Y., his mind was awakened through argument on a Sunday afternoon while in the Town Park, and engaged in a conversation which at last showed to him that many of his companions were infidels. Realizing the position in which he was placed he then and there resolved that he would be a Christian. As he was leaving the town, the Convention being over, he was shaking hands with Grand Master Sargent, who said in bidding him farewell, "God bless you." These words fastened on his heart as well as his mind; nothing that he could speak of or think about obliterated
